

Session Meeting, First Presbyterian Church, Post Texas, April 20, 2008

The meeting was opened with prayer and called to order at 11:35 by Moderator Jerry Koch. Present were: Charles Adams, Victor Ashley, Joel Dennis, Neal Francis, and Giles McCrary.

Charles Adams presented the current financial report. It was accepted by unanimous consent with thanks.

Jerry reported a request from several members that scholarship support for Church Camp at Buffalo Gap be considered. It was passed by unanimous consent that the church provide ½ the cost (\$100.00) to anyone attending, and more support will be considered if the need arises.

Neal presented an offer from his family that two liturgical banners be initially given to the church in memory of his parents. The session unanimously approved this initiative with thanks. Neal and Jerry will work together to choose appropriate banners and present plans subject to final session approval.

A nominating committee was formed for the purpose of re-constituting the session. Victor, Neal, and Rex will take responsibility for presenting a slate of six members for election by the congregation. A congregational meeting for this purpose was scheduled for June 1 during worship, with the first meeting of the new session to follow after worship on that day.

It was decided that stated session meetings would be scheduled for the first Sundays in March, June, September, and December.

There being no further business, the meeting adjourned with prayer at 11:55.
