

Lubbock Senior Softball

Special Meeting of the Membership and All-Coaches Meeting

Sunday, March 21, 2:00 p.m. MacKenzie Park, Field 6.

Agenda

1. Upon recommendation of the Board and for the consideration and vote by all members present:

a. To amend Section 1.a, Article III of the bylaws regarding club member eligibility to read as follows:

Any male who would be fifty (50) years of age by 12-31 of the playing year, and resides in Lubbock County, or is in an area in which organized senior slow pitch softball is not available, may apply for membership.

This essentially replaces the word “person” in the first line with the word “male.”

b. To add the following sentence to Article III, Section 1.a to read as follows:

In addition, those female members who participated during the year 2009 shall be eligible to play so long as they continue to meet all other requirements of these bylaws.”

2. A briefing for coaches and members as to rule-changes and procedures for the coming 2010 season.

3. Other business as appropriate.
