*Inducting Stan Fry* *Jerry Koch*

## *Remarks and Stories*

## *Closing Prayer*

*1953-2021*

Les Clemmons Jr. was a man of honor and faith who became a leader and mentor for eighteen years in Lubbock Senior Softball and Senior Softball USA. He was instrumental in the formation and ongoing success of Amarillo Senior Softball. He was the essence of excellence, as a player, coach, sponsor and friend. Les honored the game with his play, leadership, and relentless good humor. As we honor him this evening, his family, friends, and fellow players celebrate his legacy in Lubbock and Texas Senior Softball. “Safe at Home.”

Stan Fry is the face of Lubbock Senior Softball. He started playing as a charter member of the league in 1998. He has continuously and to the present, sponsored and coached the team aptly named for his family business – The Electrifiers. He also coaches and sponsors an SSUSA tournament team with the same logo. In January 2025, Stan led the Electrifiers to the 65+ AA National Championship. His induction into the Texas Senior Softball Hall of Fame, as a national champion, might just put a smile on the face of Lubbock Senior Softball.
